AFTER NEARLY HALF A CENTURY IN THIS GREAT AND CHALLENGING BUSINESS, WE THANK OUR FRIENDS FOR THEIR SUPPORT OVER THE YEARS AND HAPPILY LOOK FORWARD TO THE FUTURE.

TERMS OF SALE

Please read carefully

1. The numismatic material offered in this catalogue has been carefully described and is guaranteed to be genuine.

2. All bids must be per Lot as numbered in the Catalogue. The highest bidder will be the successful buyer. In the case of a tie bid, the earlier bidder will be the buyer.

3. Unlimited bids will not be accepted. You must state the maximum you are willing to pay. You may be able to obtain your Lots for less than your maximum if competitive bidding permits. Kindly bid in full dollar amounts (no odd cents, please).

4. Telephone bids must be confirmed in writing or by fax.

5. "Guesstimates" have been included. The Lots can very well sell above or below the estimates. We do not disclose "top bids". **A 10% Buyers Premium applies to all sales.**

6. Bear in mind that this is a Mail Bid Sale. **All sales are final.** Numismatic material allotted to the highest bidder is not sent on Approval. Lots may be returned only with the permission of the cataloguer or for reasons of authenticity.

7. **All Bidders** must have established credit with the cataloguer or the Bids will not be executed unless an advance deposit of 25% is sent with the Bid Sheet. Deposits will be promptly refunded to unsuccessful bidders. Checks must be made Payable to the order of COINHUNTER or C.E. Bullowa.

8. **There is no charge for executing your Bids.** Postage and insurance must be paid by the successful buyer. Pennsylvania residents must also pay a 6% State Tax prescribed by law plus 1% if a Philadelphia resident.

9. **PLEASE NOTE: Successful buyers will receive an invoice separate from the shipment of coins.** Shipments are insured with a private insurance company as well as with the U.S. Post Office. This will account for any difference between our charges and the postage indicated on the shipment.

10. Purchasers are expected to make prompt payment upon receipt of their Lots.

11. Please be careful in your bidding. Check your Bid Sheet carefully before mailing. Keep a copy for your reference. **We cannot be responsible for your errors.**

12. The grades of coins encapsulated by third party grading services represent the opinion of that respective service. **We encourage you to examine lots** to form your own opinion as to the grade or suitability of potential purchases.

C.E. Bullowa

A FEW WORDS ABOUT GRADING

Grading is an Art and NOT a Science. It is subjective in nature but is governed by standards and parameters garnered by our many years in business. It includes eye appeal among other things.

Adjectival vs. Numerical

Uncirculated or Brilliant Uncirculated = Mint State 60 to 62
Choice Uncirculated = Mint State 63
Very Choice Uncirculated = Mint State 64
Gem Uncirculated = Mint State 65
Superb Gem Uncirculated = Mint State 66 to 67

The same adjectives apply to Proofs

157. TEN CENTS. 1796. Draped Bust Type, Small Eagle Reverse. First year of issue for the denomination and only 22,135 minted. PCGS Very Fine 35. Evenly worn and with beautiful original coloration. A perfect example of Early American coinage. ***PHOTO*** (3,500.00)

158. HALF DOLLAR. 1815/2 (as are all). Capped Bust Type. PCGS Extremely Fine 40. Evenly worn and original. Low mintage with less than 50,000 struck for the year, only a tiny percentage of which still exists today (2,750.00)

159. SILVER DOLLAR. 1795. Draped Bust Type. 3 Leaves under each Wing. PCGS Very Fine 30 with medium gray original toning. The surfaces are free of any blemishes and the coin would make a most presentable addition to anyone's cabinet (2,500.00)

160. HALF EAGLE or $5.00 GOLD. 1861-D. Coronet Type without Motto on Reverse. PCGS Extremely Fine 40. Very Rare as fewer than 1,600 pieces were struck, most bythe Confederacy after the Dahlonega (Georgia) Mint had been captured.A pleasing, evenly worn example with no defects to disturb the surfaces. ***PHOTO*** (7,500.00)

UNUSUAL PIECES

161. HAWAII. Hapalua or Half Dollar. 1883. Obverse showing bearded bust of King Kalakaua. The 1883 regular issue coinage was struck at the San Francisco Mint, and the denominations matched exactly the standards used for U.S. coinage. Of the 700,000 half dollars minted, over 612,000 were redeemed and melted by January 1, 1904, the date their legal tender status was ended. High grade specimens are quite rare indeed. Fully frosty Brilliant Uncirculated, very nearly Gem quality with gorgeous strike. Certainly one of the finest examples we have seen. ***PHOTO*** (3,000.00)

162. HAWAII. Hapalua or Half Dollar. 1883. COPPER PATTERN. One of only 18 pieces struck at the Philadelphia Mint before the dies were sent to San Francisco. Choice Proof, brown in color with attractive orange-green overtones. Some scattered carbon flecks, though none of them too offensive. ***PHOTO*** (7,500.00 up)

163. CHINA, Republic. Silver Dollar. Year 12 (1923). Pu Yi wedding. Reverse: value in small characters. Y-336. Brilliant Uncirculated, sharply struck and somewhat prooflike. Definitely a premium example of this scarce issue. ***PHOTO*** (1,400.00)

EXTREMELY RARE SILVER TRANSITIONAL DIME

164. ROOSEVELT DIME. 1965. Struck on a leftover 90% SILVER planchet of the type that was used through 1964. A similar error to the well known 1943 Copper Cents. It is estimated that fewer than a dozen of these Rare and desirable errors are known, and all transitional errors are very popular with collectors. This piece grades at least Choice Almost Uncirculated and is very sharply struck. In fact the entire obverse exhibits a wire rim and semi prooflike fields. This no doubt is due to the higher striking pressure needed to produce clad coinage than was needed for silver coinage. Probably worth well in excess of our conservative estimate. ***ENLARGED PHOTO*** (2,500.00 up)

UNITED STATES PAPER MONEY

$1.00 Legal Tender 1917 – Friedberg 37
